

CCR&R Grant Writing Workshops

The Northeast District CCR&R, in cooperation with Minnesota Department of Human Services (DHS) will be offering grants beginning **September 1, 2009**. We encourage **everyone** to attend one of the FREE grant workshops below to learn about changes that DHS has made to the application forms, the learning plan form, and how it is submitted.

The workshop you attend does **not** have to be in the same county you live in. Workshops are open to both family child care providers and center staff. This is an informational workshop only to assist with the grant writing process, no training hours or certificates are given.

Grant applications will be available **September 1, 2009**. **You can receive a grant application earlier if you attend one of the grant writing workshops.** If you would like to receive an application on September 1, 2009 please contact the NE District CCR&R office (800) 890-5399 or paigem@pinetech.edu after July 1, 2009 (please do not contact our office before July 1, 2009). We will place you on a mailing list for Sept 1, 2009. You can also visit www.mnstreams.org or www.crr.pinetech.edu to download an application. Again, applications will only be available for mailing or downloads **after** Sept 1, 2009. The deadline to apply for a grant is **September 25, 2009**.

If you are awarded a grant you will be required to take 12 or 16 hours of training, depending on the amount of your award. You can take up to 6 hours of required training between August 1 – November 1, 2009. The remaining 6 to 12 hours need to be completed after November 1, 2009.

Tuesday, August 18
